

ELEMENT FACTS:

- Pamper yourself with nature-inspired comforts and modern convenience such as free Wi-Fi, Westin's signature Heavenly beds and our Bikes to Borrow program.
- Start your morning off right with our healthy rise complimentary breakfast or use our fully equipped in-room kitchens which allow you to prepare meals and stay in your rhythm even while you're on the road.
- Plan your meeting or event in one of the largest meeting spaces in the area; 2,100 sq feet of space allows you to expand and elevate your event.
- Join our complimentary evening social for a chance to unwind or network; offering complimentary wine and beer
- Our hotel was the 7th Element to open globally; offering green and eco-friendly features

IT'S NOT JUST ANOTHER HOTEL BRAND

We've opened the doors to something different. Breathe a new life into extended stays with the Element by Westin; a Marriott Brand. It's energetic, yet relaxing and comfortable. It's familiar, and it's also unexpected. It's completely unprecedented. It's uniquely a missing element out of your daily travel.
